

2006 Junior Bowling Tournament

In the last week of June, the PRCUA Junior Bowling Tournament for Districts # 7, 8 and 9 was held in Addison, IL. Youngsters had lots of fun bowling with their grandparents, parents or older sibling. After the bowling sessions, pizza and soda was served to everyone who participated and later an award ceremony was held.

Coordinators Lillian & Ralph Stempinski

The best bowlers in their age division received a trophy and each bowler received a special PRCUA

Junior Bowling hat - blue for the boys and pink for the girls. This is the first time that the PRCUA offered the hats instead of little statuettes to all the junior bowlers and they were a great success - everyone loved the hat! Special thanks go to Resident Vice President Anna Sokolowski and her secretary, Mary Jane Robles, for the preparation of this tournament. Thanks also go to Ralph and Lillian Stepinski for coordinating this event - they are experts when it comes to bowling!

District #9 National Director Elizabeth Grabowski once again had the most youngsters participating in this year's PRCUA Junior Bowling Tournament.
